

ARE YOU IN NEED OF ORTHOPEDIC CARE?

The Archdiocese of Cincinnati currently partners with The Christ Hospital to offer orthopedic care through the Center of Excellence Program.

CENTER of
EXCELLENCE

Two locations available

The Archdiocese of Cincinnati has partnered with The Christ Hospital to offer the Center of Excellence program since 2020 providing knee and hip replacements benefits to covered plan members while waiving both the deductible and coinsurance to those who qualify for the program. The program offers an exclusive physician panel with the regions top surgeons, a concierge experience through The Christ Hospital Nurse Navigators to guide patients every step of the way, an all-inclusive episode of care experience which includes office visits, imaging, anesthesia, procedure, follow up care and more – all with no deductible or coinsurance. Designed with the patient in mind, the program delivers exceptional care and outcomes as well as an exceptional patient experience and value.

Effective July 1, 2023 – Spine and Shoulder procedures have been added to the program.

Your COE Benefit

Archdiocese of Cincinnati covered health plan members utilizing the Center of Excellence Program through The Christ Hospital for knee and hip replacements and now certain spine and shoulder procedures are eligible to have their deductible and coinsurance waived for the procedure.

For information on knee and hip replacements or shoulder procedures please call the Joint Navigator at **513-557-4882**.

For information on spine procedures please call the Spine Navigator at **513-557-4881**.

The Christ Hospital Joint & Spine Center (JSC) is first of its kind in the region—and one of only a few in the nation—to provide comprehensive, evidence-based joint and spine care, education, and clinical outcomes research, all in one dynamic facility. Features of the JSC include:

- State-of-the-art operating rooms
- Rehabilitation space on each patient floor
- All private rooms with a comfortable space for family and visitors
- Patient control of curtains, heating/cooling, lighting/ television and bed—all with a push of a button
- Wider doorways and larger bathrooms to accommodate post-surgical and disabled patients
- Patient care and public areas with abundant natural light
- Personalized dining service

Exclusively for Archdiocese of Cincinnati health plan members—in addition to The Christ Hospital Joint & Spine Center, patients may choose to have their procedure at The Christ Hospital Liberty Township Medical Center for certain procedures within the program.
